1. Pray, asking God to examine your heart and prepare you to deal with this conflict in a manner that will glorify Him.
2. Write out your opening statement. This statement is just a few sentences that explain what you hope to accomplish in the mediation.
3. Create a log and speck list, identifying your contributions to the situation and the contributions made by the other party.
4. Read *The Peacemaker* by Ken Sande. Reflect on one or two questions at the end of each chapter.
